Deadline missed again !

650 mts stretch of Irwin Road works unlikely to be completed by December; Project began 23 months ago

Mysuru, Nov. 25 (RK&KS)- With the widening works on the remaining portion of Irwin Road from Nehru Circle to Government Ayurveda Hospital Circle going on at a snail's pace, it is doubtful if the works would be completed by December end this year as scheduled.

Though asphalting the road from Ayurveda Hospital Circle to half of the stretch is almost complete, only about 50 percent of works from Nehru Circle is done and remaining works are delayed due to some technical issues.

In order to expedite road widening, the works on 650 mts stretch from Nehru Circle to Government Ayurveda Hospital Circle was awarded to two contractors and the works were scheduled to be completed by this December.

New deadline

When contacted, MCC Development Officer Nagaraj told *SOM* that the road asphalting and beautification works would be completed within a month and added that the demolition of pending two buildings and completion of remaining works would take atleast 3 months (February 2021).

The demolition of buildings on either side for widening of Irwin Road was taken up in Jan. 2019. The 850-metre stretch from Ayurveda Circle to the Arch Gate on B.N. Road was to be widened either by 4 metres or 6 metres. Though the proposal was conceived four years ago, only the stretch from Railway Station to Ayurveda Hospital Circle and Nehru Circle to Arch Gate — has been widened. But more challenging for the MCC was the stretch from Ayurveda Hospital Circle to Nehru Circle which is narrow and commercially developed. Irwin Road connects Taluk Office (Mini Vidhana Soudha), Sub-Urban Bus Stand, Head Post Office, K.R. Hospital, Government Ayurveda College, New Sayyaji Rao Road, Railway Station, Devaraja Market, Bamboo Bazaar, Ashoka Road and several other key places.

Out of 86 commercial and other buildings, 84 buildings have been demolished after paying compensation of a total amount of Rs. 37 crore to building owners. Earlier there was a delay in completion of works as a few building owners had moved the Court following which the Karnataka High Court had stayed works in Jan. 2019.

MLA L. Nagendra, who launched asphalting works from Government Ayurveda Hospital side recently, told *SOM* that due to lockdown, the works were stopped temporarily causing the delay. He said once the works on Irwin Road is completed and thrown open for traffic, it would become the second commercial hub like the Devaraj Urs Road. Works pertaining to drains, footpath and laying of underground cables is going on at present, he added.

Asphalting work in progress on Irwin Road near Ayurveda Hospital Circle.

Veteran Congress MP Ahmed Patel no more

Ahmed Patel

New Delhi, Nov. 25 (Agencies)- Senior Congress MP Ahmed Patel (71), one of Sonia Gandhi's closest political advisers, died at a Gurugram hospital this morning. The veteran politician, who had identified himself in inner circles of the Gandhi family, had been at Medanta Hospital since his health worsened after a brief illness.

Son of a social worker, Patel was handpicked by Prime Minister Indira Gandhi to contest the 1977 Lok Sabha election from Bharuch in Gujarat. He won the elections as Congress faced losses nationwide in the post-Emergency elections. He went on to win the 1980 and 1984 LS polls, but lost in 1989 as BJP gained strength in Gujarat. Patel had been a five-term RS MP, with his last election in 2017 being the toughest one, which he had pulled off in style.

Sonia Gandhi tweeted: *"In Ahmed Patel, lost an irreplaceable comrade, a faithful colleague. My condolences to family and friends."* **PM Modi tweeted:** *"Saddened by the demise of Ahmed Patel Ji. He spent years in public life, serving society. Known for his sharp mind, his role in strengthening the Congress Party would always be remembered."*

Cyclone Nivar inches closer to TN coast

To make landfall around midnight

Chennai, Nov. 25 (UNI)- The severe cyclonic storm 'Nivar' over southwest Bay of Bengal moved west-northwestwards with a speed of seven kmph during past six hours and lay centred over southwest Bay of Bengal about 290 km east-southeast of Cuddalore, about 300 km east southeast of Puducherry and 350 km south southeast of Chennai.

It is very likely to intensify further into a very severe cyclonic storm during the next 12 hours, a bulletin issued by the Met office said today.

It is likely to move northwestwards and cross Tamil Nadu and Puducherry coasts between Karaikal and Mamallapuram around Puducherry during midnight of today and early hours of tomorrow as a very severe cyclonic storm with a wind speed of 120-130 kmph gusting to 145 kmph.

Under its influence, fairly widespread to widespread rains and thunderstorm activity is very likely over coastal and north interior Tamil Nadu, Puducherry and Karaikal, south coastal Andhra Pradesh and Rayalaseema for two days.

Isolated extremely heavy rainfall activity is also very likely over coastal and north interior Tamil Nadu and Puducherry (Thanjavur, Tiruvarur, Nagapattinam, Cuddalore, Chennai, Kanchipuram, Chengalpattu, Myladuthirai, Ariyalur, Perambalur, Kallakurchi, Villupuram, Tiruvannamalai, Puducherry and Karaikal districts) today.

Power disruption tomorrow

Mysuru, Nov. 25- Owing to emergency maintenance works, power supply will be disrupted tomorrow between 10 am and 5 pm the in following areas:

Siddique Nagar, Sri Shivarathreeshwaranagar, Columbia Asia Hospital, Hanumanthanagar, HUDCO C Layout, KSRTC Layout, Industrial B Layout, Highway Circle, *Star of Mysore*, Kaverinagar, Belavatha, Sadanahalli, Siddalingapura, KR Mill, Naganahalli, Lakshmipura, Kalasthavadi, Bengaluru-Mysore Road, Subhashnagar, Kesare 1st and 2nd Stages and surounding areas.

Sindhuvalli Power Distribution Centre: Devirammanahalli, Devarasanahalli, Kalale, Navilur, Sinduvalli, Kodlapura, Kasuvinahalli villages and Gram Panchayat limits.

Chandrawadi Power Distribution Centre: Nellitalapura, Kurihundi, Haradanahahalli and Duggahalli villages and GP limits, according to a press release from CESC.

EDITOR'S BOTTOMLINE

Financial wealth is the source of many undesirable ways of life. Parents are dreaming big and feeling great that their children are earning well. But stop and think: Are they leading sustainable lives? Encourage them to acquire good habits. Awaken noble thoughts. Unity can be achieved through love alone. Declare fearlessly that you are all children of Bharat. Life's long journey demands from you great amount of courage, confidence and idealism. Only when you stay united, you find true devotion and true liberation. Devotion never divides. It sees unity in diversity. Live cheerfully. Never put on a long face. Negative thoughts show up as ugly expressions. Pure thoughts and feelings will always keep us cheerful. Do not harm anyone. Help ever and hurt never. You must tread the path of idealism with good behaviour, good actions and good thoughts. First, preserve your health. Good health enables you to carry out meritorious deeds. You will derive happiness out of such deeds. Never abuse anyone with harsh words. Speak kindly and receive kind words. Do good to others and get good in return. If you have both health and happiness, you need not acquire anything else. Money can always be earned, but what is really important is earning of virtues. Money without virtues is of no use, for, it is virtue that gives happiness in life and not money. Lead a sacred life on the sacred path with good behaviour. Be happy and I shall tell you many more special things [Excerpts from a discourse given by Sri Sathya Sai Baba]. *—In The Times of India*

NEWS SPARKLERS

Popular worm omelet of Vietnam

Hanoi: Chả *ruợi* or sand worm omelet, is a seasonal Vietnamese dish made with unsightly, two-inch-long sea worms that some say give the "delicacy" a caviar-like taste.

Every year, in late fall, street food stalls in northern Vietnam, particularly in Hanoi, serve a very special dish that looks very ordinary at first glance, but that actually contains a very peculiar ingredient. Chả *ruợi* looks like a well-done egg dish mixed with various herbs, but owes its meaty texture and seafood taste to the ingredient that gives the treat its name – sand worms. Beaten egg, tangerine peel, onions, dill and spices, before the two-inch-long sea worms are added. The result is an ordinary-looking omelet with a very meaty kick that fans can't get enough of in the months leading up to winter.

Technically, only part of the palolo worm is harvested for consumption. Palolo sand worms reproduce by epitoky, a process in which the worms start growing specialized segments from the rear, which keep increasing until the worm can be clearly divided into two halves.

World's most expensive soap costs $2,800

Tripoli: The Khan Al Saboun brand of handmade soap created by Bader Hassen & Sons, a soap factory in Tripoli, Lebanon, makes a variety of luxury soaps and skincare products containing essential oils and natural fragrances.

They are sold in some of the most exclusive shops in Dubai and the UAE, but its most expensive product is only offered to special guests and important personalities. First made in 2013, as a unique gift to Qatar's first lady, the world's most expensive bar of soap contains gold and diamond powder and reportedly costs $2,800.

HEALTH CAPSULE

Garlic being a strong flavour booster, is high in nutrition too. It is enriched with Vitamins, Folate, Calcium, Iron, Magnesium, Manganese, Phosphorous, Potassium, Sodium and Zinc.

VOICE OF THE READER

A proud moment for RK Vidyashala

Sir,

This is with reference to the achievements of Varun Ganapathy, who has been awarded the Sword of Honour and President's Gold Medal at the Officers Training Academy in Chennai (*SOM* dated Nov. 23). A proud moment for all of us.

Having studied in the prestigious Sri Ramakrishna (RK) Vidyashala, Mysuru, Varun Ganapathy has made his alumnus proud. His name still rings out loud and clear in my ears, when the announcer of the Vidyashala announced his achievements, as the march-past of the Annual School Day passed by the VIP dais. I have been attending this event for the last two decades.

Hard work, dedication and the will to reach the goal and the grit to make it to the top is best achieved by the blessings of your Guru, is the message of The Holy Trio.

No wonder RK Vidyashala boys are stars shining bright all over the world. Three cheers to Sri Ramakrishna Ashrama, Sri Ramakrishna Vidyashala Monks and Teachers for their dedication and creativity in promoting the all-round development in the young minds.

CM attends grandnephew's wedding in city

Chief Minister B.S. Yediyurappa attended the** dhara muhurtha **(wedding ritual) of his grandnephew S.A. Ajay, son of MyMUL Director S.C. Ashok (CM's nephew) and B.S. Sandhyarani, with R. Nisarga, daughter of Vani Ramesh and late P.S.N. Ramesh at Lalitha Mahal Palace in city this morning.

Appointed as Chairman of Devaraj Urs Development Corporation

R. Raghu Kautilya, who has been appointed as Chairman of D. Devaraj Urs Development Corporation, thanked the CM by garlanding him.

Mysuru, Nov.25 (PM&DM)- The State Government on Tuesday appointed senior BJP leader of the city R.Raghu Kautilya as Chairman of D. Devaraj Urs Development Corporation.

Raghu Kautilya, who is the State Secretary of BJP Slum Morcha, is a close associate of State BJP Vice-President B.Y. Vijayendra, the son of Chief Minister B.S. Yediyurappa. Raghu had earlier served as Chairman of Karnataka Exhibition Authority when S.M. Krishna was the Chief Minister.

In other appointments, BJP youth leader of the city L.R. Mahadevaswamy has been appointed as Chairman of Zoo Authority of Karnataka (ZAK); senior party leader Shivalingaiah as CADA (Cauvery) Chairman; M. Ramachandra of Chamarajanagar as Chairman of Central Relief Committee; S. Mahadevaiah of Nanjangud as Chairman of Karnataka Compost Development Corporation and Nanjangud BJP leader N.R. Krishnappa Gowda as Chairman of Khadi and Village Industries Board.

In another significant appoint-ment, B.S. Paramashivaiah has been appointed as the first Chairman of the newly formed Karnataka Veerashaiva-Lingayat Development Corporation (KVLDC), for which the Government has sanctioned Rs.500 crore; Yelahanka MLA S.R.Vishwanath as Chairman of Bangalore Development Authority (BDA) and Rayabag MLA Duryodhana Aihole as Chairman of Dr. B.R. Ambedkar Development Corporation.

Dr. Vasundhara on 100th episode of 'Vishwa Nruthya Bhushana'

Mysuru, Nov. 25- Vishwa Nruthya Bhushana, an online interactive music, dance and classical series, was started by acclaimed dancer Badari Divya Bhushan (Artistic Director of Bhushans' Academy of Performing Arts and Visual Presentation) on Facebook page of Vishwa Nruthya Bhushana *[https://www.facebook.com/Vishwa-GanaNru thyaBhushana/]* continuously since Aug. 10 this year.

The episodes presented an interactive session on exceptional artistes, wherein the artistes shared their thoughts, journey, productions, usually scheduled from 6.30 pm till 9.30 pm. The artistes also related a few funny incidences and dance as Bhushan sang.

The one-of-its-kind show so far has had 99 accomplished celebs and today (Nov. 25), on its 100th stream, internationally acclaimed Bharatanatyam Guru Dr. Vasundhara Doraswamy will be in conversation with her own disciple who himself is an acclaimed artiste — Badari Divya Bhushan, popularly known as Bhushan. Interested may watch the special episode from 6.30 pm.

After Nazi plot, plane crash, cancer and COVID, York woman reaches 100

Joy Andrew defies the odds again to reach milestone in 'colourful and amazing life'

Joy Andrew in the WAAF in the 1940s.

Joy Andrew with her niece Toni Harrison (centre) and daughter Michele Andrew (right) at Minster Grange.

London, Nov. 25- When 99-year-old Joy Andrew tested positive for Coronavirus in May, staff at the care home where she lived put her on end-of-life care and prepared her family to expect the worst.

But Andrew, who has survived a Nazi assassination attempt, a horror plane crash and breast cancer, defied the odds once again and on Sunday she celebrated her 100th birthday and received a card from the Queen.

Her daughter Michele Andrew, 57, said she was proud of her mum: "She has lived the most colourful and amazing life and this milestone is another thing to add to her brilliant list of achievements."

Andrew was born in 1920 in north London and was raised there. She joined the Women's Auxiliary Air Force as a sergeant during the Second World War, and served in the operations room at Bomber Command, which played a central role in the strategic bombing of Germany.

After the war, Andrew, who was from a German Jewish family, was posted to Dusseldorf, where she lodged with an elderly couple who had a daughter who was a Nazi. While in Germany she was allocated a driver to take her wherever she wanted to go.

"This included a trip to Berlin, where she wandered alone in the remains of the Reichstag. She also went to the Nuremberg trials … this was obviously important to her," Michele said. "One day the driver picked her up and, en route to the destination, deliberately crashed the car in an attempt to kill her. She still bears the scar on her face from the assassination attempt. The driver was arrested and turned out to be a Nazi."

After the war, Andrew joined the British Overseas Airways Corporation as one of the first air hostesses. On one flight, the pilot flew off course and ran out of fuel. The plane ended up crashing in Libya and broke up on impact. "The crew survived but one passenger died. They were all stranded in the desert and rescued by Bedouins," Michele said.

In the 1970s Andrew survived breast cancer. Her husband, David Andrew, a squadron leader in the RAF, reportedly died from cancer in 2013.

Andrew, who now has dementia and lives at Minster Grange care home in York, tested positive for COVID-19 on May 16 but has slowly recovered.

Her daughter said: "I haven't been able to see my mum since March. Before that I was going in three times a week. I'm worried that she feels like I have abandoned her. Hopefully I'll be able to go in some time soon, not just to see her but also celebrate her birthday."

Role of Police in maintaining peace in society is vital: CM

Chief Minister B.S. Yediyurappa receiving the guard of honour at the Office of the Commissioner of Police in Nazarbad last evening.

Mysuru, Nov. 25 (YDS&SSV)- Underscoring the role of Police in maintaining peace in society, Chief Minister B.S. Yediyurappa said the State Government expects the Mysuru Police Department to function in most professional manner with transparency and in responsible manner.

Speaking after inaugurating the 108 houses for Police personnel built under Police Gruha-2020 scheme and Office of the Commissioner of Police here yesterday, he said it was the responsibility of the State Government to ensure crime-free and efficient law and order so that people live happily in society without any fear.

Lot of impetus was not given on basic infrastructure to increase efficiency of Mysuru City Police and to encourage it. Sophisticated Police Stations and staff quarters were provided to the Cops to make them work better, he said

Yediyurappa said modern designed staff quarters were constructed by Karnataka Police Housing and Infrastructure Development Corporation.

Accordingly, 108 houses — 36 in Jyothinagar and 72 in Jockey Quarters — in Mysuru have been construction under Police Gruha-2020 scheme, at a cost of Rs. 20.31 crore. It has been proposed to construct 184 houses across the State under Police Gruha-2025 scheme. This decision was taken after understanding problems of Police staff children facing problems to study in the existing quarters.

The CM praised the State Police for discharging their duty in most responsible manner in prevention of COVID-19.

"The Mysuru Cops worked efficiently in implementing the State Government's order strictly as well as in creating awareness among people to check the spread of Coronavirus. Prime Minister Narendra Modi has discussed with the Chief Ministers of all the States on steps to be taken in the next four to five weeks following reports of the second wave of pandemic."

Addressing the gathering, Home Minister Basavaraj Bommai said the Karnataka Police was known as the best and most efficient Police in the country. Likewise, the Mysuru Police Department was also functioning on the similar lines. The Department did well during the country-wide Janata Curfew in the wake of COVID-19 and is working hard to maintain law and order in the cultural city of Mysuru.

War against drug continues

He said the State has launched a war against drug menace and the quantum of seizure of narcotics made during the last six months had exceeded the seizure made in last one decade.

The crackdown on drugs would continue unabated until the menace was rooted out. Crime rate in the State has declined significantly during the last one-and-a-half years of the BJP Government but the Police and Home Department would not be complacent. Dedicated cells had been constituted in all districts to deal with technology based crimes like Bank frauds and cyber crime.

Earlier, the CM unveiled two plaques to mark the inauguration of 108 houses and office of Police Commissioner.

Deputy Chief Minister Govind Karjol, Co-operation and District Minister S.T. Somashekar, MLAs Tanveer Sait, G.T. Devegowda, L. Nagendra, S.A. Ramdas and B. Harshavardhan, MLCs A.H. Vishwanath and K.T. Srikantegowda, Mysuru-Kodagu MP Pratap Simha, DG&IGP Praveen Sood, MUDA Chairman H.V. Rajeev, City Police Commissioner Dr. Chandragupta, Superintendent of Police C.B. Rhyshyanth, MCC Commissioner Gurudatta Hegde, Mayor Tasneem, ZP President Parimala Shyam and others were present.

A section of the audience at the inaugural event. Picture right shows CM B.S. Yediyurappa cutting the ribbon to inaugurate City Top Cop's office.

CM lays foundation stone for development works in Suttur

Suttur Seer Sri Shivarathri Deshikendra Swamiji explaining Chief Minister B.S.Yediyurappa about the proposed circle in front of Suttur Mutt in Suttur village at Nanjangud taluk this morning.

Suttur, Nov. 25 (RKB&SSV)- Chief Minister B.S. Yediyurappa laid foundation stone for various developmental works including the construction of a guest house at Suttur in Nanjangud taluk of Mysuru district this morning.

The CM unveiled a plaque to mark the event in the presence of Sri Shivarathri Deshikendra Swamiji of Suttur Mutt, Deputy Chief Minister Govind Karjol, Home Minister Basavaraj Bommai and Co-operation, District Minister S.T. Somashekar, MLC A.H. Vishwanath, Chamarajanagar MP V. Sreenivasa Prasad and MLA Ashwin Kumar.

Yediyurappa also had *darshan* of newly-consecrated Doddammathayi idol. Later, he left for MM Hills to participate in various development works.

Tormentors of bullocks to face legal action

They had made the bullocks pull 14.55 tonnes loaded cart for 3 km

Mandya, Nov. 25 (SSV)- Taking serious note of 'cruelty to animals,' Mandya SP H. Parashuram has asked Keragodu Police to take up a suo motu case against a group of youths for making a pair of bullocks to pull a bullock cart laden with 14.55 tonnes of sugarcane at H. Malligeri village in Mandya taluk recently.

The SP has tweeted "Keragodu Police Station mobilized the accused of filling more than 14 tonnes of sugarcane into a bullock cart and torturing the bulls in Malligere village. Case has been taken up under Article 188/2020-Prevention of Cruelty of Animals Act, 1960. Suitable action will be initiated against the accused."

Recently, the youths of Vinayaka Geleyara Balaga with a view of creating a record had loaded 14.55 tonnes of sugarcane into the bullock cart and had made the bulls to pull it for nearly 3 km. The bullocks were struggling to pull the heavy weight and as the video went viral, animal activists had flayed the incident and wanted stern action against the youths for torturing the bullocks in a quest for record.

The animal activists are planning to create awareness programmes in different parts of Mandya district to prevent such incidents in future.

Td vaccination drive for school students launched in district

Mysuru, Nov. 25 (RK&DM)- As a precautionary measure against Tetanus and Diphtheria infections, amid the outbreak of the deadly COVID-19 pandemic, the Department of Public Instruction, in association with the Health Department, National Health Mission (NHM) and Family Welfare Society, launched Td (Tetanus and diphtheria) vaccination drive this morning to vaccinate all students of First, Fifth and Tenth standards in the district.

Over two lakh students will be vaccinated during the two-day drive — today and on Nov. 27. The drive will cover all schools — Government, Aided and Unaided and also Schools following Central Syllabus (CBSE, ICSE etc.).

DDPI Dr. Panduranga told *Star of Mysore* that a total of 2,15,398 students (children aged between 7 and 16 years) studying in First (1,29,778 children), Fifth (44,187) and Tenth standards (41,433) enrolled in 3,453 schools of the district will be vaccinated for Td today.

Pointing out the parents of all the children have been intimated about the vaccination drive along with educating them on the purpose of the drive, much in advance, he said that the students have been asked to come in batches to their respective schools at a specified time for getting vaccinated.

Maintaining that it is the responsibility of the parents to bring their wards to schools, Panduranga said that schools have been getting good response for the drive, with most children coming along with their parents and a few others coming alone. He noted that the drive will also be carried out on Nov. 27 too, for students who could not come today.

Asserting that it is the objective of the Department to ensure 100 percent target, he said that in the wake of COVID-19 crisis, all protocols such as wearing of face mask, thermal screening, use of hand sanitisers and maintenance of physical distance are being strictly followed by all schools, leaving no scope for any lapses.

The heads of schools have been tasked with ensuring the success of the drive, Dr. Panduranga said and added that the Health Department staff are carrying out the vaccination in the presence of school heads and teachers.

Obituary

S. Chandrashekar

Mysuru, Nov. 25- S. Chandrashekar (60), an employee of Railway Workshop and a resident of Nazarbad, passed away yesterday in city.

MCC plans Solid Waste Management in a year

Disposal of waste has been the biggest challenge for all Urban Local Bodies (ULBs) including the fast growing Mysuru city. With generation of around 500 tonnes of waste daily, disposing it off has become a big problem due to resistance from local public against having solid waste processing units in their areas.

As new Layouts are added, it is becoming an additional burden on Mysuru City Corporation (MCC) to manage it with limited resources. After much delay, the State Environment Impact Assessment Authority-Karnataka gave its nod for the construction of the long-pending solid waste processing facility at Rayanakere and Kesare. In a brief chat with *Star of Mysore*, MCC Commissioner **Gurudatta Hegde** shared his plans to address the problem of solid waste management. Excerpts. *—Ed*

MCC Commissioner Gurudatta Hegde

By Shyam Sundar Vattam

Star of Mysore: Management of Municipal waste has posed a big challenge. What plans MCC has to address this issue?

Gurudatta Hegde: This problem is bound to happen as and when the city grows. Mysuru is no longer a 'Pensioner's Paradise' or 'Big Village' as described by a few some years ago. This city has made a niche for itself in the entire country as 'cleanest city' of India. Besides, Mysuru is one among a few cities which is categorised as fast growing Tier-II city. With more and more people coming here to settle or on work, waste is naturally generated. Eight agencies were fixed by the Corporation for waste management. However, of them six agencies failed to work to MCC's expectations since they lacked experience. It has just become defunct. So, with the permission of MCC Standing Committee on Health, it was decided to change six of the total agencies. Work orders will be issued to new agencies within a month.

Star of Mysore: How is the door-to-door collection of waste from the Wards going on. Is it satisfactory?

Gurudatta Hegde: There is no problem in regard to collection of waste from door-to-door in almost all Wards. But the segregation of waste has to improve. In this regard, Pourakarmikas are being trained. There is a dire need to reduce the use of plastic as it is still used widely by people despite banning non-biodegradable plastic. Additional garbage collection vehicles are deployed and more number of Pourakarmikas are posted in every Ward to pick up Municipal waste. There is always scope for improvement to make Mysuru to achieve success in management of Municipal waste.

Tractor loaded with ready to Wet Waste Compost.

Star of Mysore: What happened to two solid waste processing units at Rayanakere and Kesare which got clearance by the State Environment Impact Assessment Authority-Karnataka for the construction of Municipal solid waste processing facility there?

Gurudatta Hegde: Problems cropped up from the day of conceiving this project. A few residents opposed it on the ground that it emanates foul smell which will make their life miserable. After sustained efforts, these two plants got clearance from the authority concerned over two years ago. Now, both the facilities were in the final stages of completion. Once these plants become ready, around 300 tonnes of solid waste can be handled at Kesare and Rayanakere Units and the rest will be transported to Vidyaranyapuram Sewage Treatment Plant. Our endeavour is to stop dumping of solid waste at Vidyaranyapuram Plant and already working in this direction. The agency, which is managing the Vidyaranyapuram Plant, has sought a few months time to reduce the tepid smell as much as possible much to the delight of local residents.

Star of Mysore: There is lot of appreciation about Zero Waste Management Centre in Kumbarakoppal. What is so special about it?

Gurudatta Hegde: In fact, one of the best managed Zero Waste Management Plants has been the Kumbarakoppal Plant. About 75 per cent of segregation is done at initial stage and remaining waste is required to segregate at the segregation plant. Segregation is done in two stages — first stage segregation of plastic, glass, soft plastic and bio-degradable waste is done while second stage includes segregation in sub-parts of each material for marketing, that is, plastic with different colours and thickness. Segregation of all waste materials is done manually. From segregation process, dry waste is stored in bins and packed for monthly storage whereas biodegradable waste is sent to composting bins. Segregated biodegradable waste is directly dumped in composting bins. Generally, two months are required to fill one composting bin completely. After two months, compost is sold to farmers as fertilizer. Average price of one bin compost is around Rs. 2,500. Officers from other Corporations have visited this Plant to study its functioning and wanted to have similar ones in their cities.

Star of Mysore: What happened to the proposal of setting up Biogas Plants?

Gurudatta Hegde: The MCC is in touch with Central Institute of Plastics Engineering and Technology (CIPET), Mysuru to share knowledge regarding setting up of Biogas Plants with latest technology. In fact, the Corporators and officials of MCC have visited Nagpur and Coimbatore to study solid waste management plants. In MCC, they were floating three different tenders including transportation of solid waste which was hampering the functioning of plants. Now, the MCC has plans to float only one tender. We have approached ITC to help in setting up of Biogas Plants as part of Corporate Social Responsibility (CSR) activity.

Star of Mysore: Why can't MCC take help from solid waste management experts in Bengaluru to address certain issues here?

Gurudatta Hegde: We are happy that Nalini Shekar, Co-founder and Executive Director of *Hasiru Dala*, Bengaluru and other agencies have come forward to share know-how on solid waste management. *Hasiru Dala* is helping in training waste pickers besides sharing knowledge on the concept of zero waste management, recycling and composting. RBI Note Printing Press has been requested to provide machinery as part of CSR for total management of solid waste.

Connect drain to main sewage line at Yeraganahalli

The drains on the 6th cross in Yeraganahalli is not connected to the main sewage line and the drains abruptly end on the sixth cross. This has resulted in sewage water getting stagnant in the drain and emanating unbearable stench causing health hazards to the residents. Residents allege that the problem increases during rains as rain water mixed with sewage water enter houses and the stagnant sewage water becomes perfect breeding place for mosquitoes. Residents have urged the authorities concerned to take steps to solve the problem at the earliest as previous pleas and complaints have yielded no results.

Plea to clear garbage dumped at Vijayanagar 4th Stage

Garbage, which is dumped on the side of the road from Marimallapa College towards the North Road, is not cleared since many days and is now emanating foul smell besides attracting stray dogs. Residents have urged the authorities concerned to get the garbage cleared at the earliest.

MUDA clears construction debris dumped on Ring Road

Warns of initiating legal action against debris dumpers

Mysuru, Nov. 25 (RKB&KS)- The Mysuru Urban Development Authority (MUDA) Officials yesterday have got the construction debris dumped on the sides of the Outer Ring Road, cleared.

MUDA Chairman H.V. Rajeev has warned of initiating legal action against those found dumping debris and wastes of any kind on the sides of the Ring Road in future.

It may be recalled that the MUDA, tired with miscreants dumping of all kinds of garbage, debris and trash on Ring Road in city, has decided to punish those who dirty the Ring Road despite warning.

Closed Circuit Television (CCTV) cameras will be installed soon at debris dumping hotspots to catch those dumping garbage and impose fine.

People can also record in their mobile phones if any person or vehicle is found dumping building debris on the Ring Road and *WhatsApp* to 88840-00750.

MLA launches slew of developmental works in Chamundeshwari segment

Mysuru, Nov. 25 (PM&DM)- Continuing his developmental activities, Chamundeshwari JD(S) MLA G.T. Devegowda on Monday launched a slew of developmental works, collectively worth crores of rupees, in his constituency.

Devegowda launched various works at Bogadi, Murudagalli, Doora and Doddakanya villages and inaugurated the renovated Jodi Maramma Temple at Bogadi. The MLA also laid the foundation for school building at Murudagalli costing Rs. 11 lakh, launched road and Underground Drainage (UGD) works costing Rs. 1 crore, laid foundation stone for school building construction costing Rs. 23 lakh and laid foundation for the Veterinary Hospital building costing Rs. 39 lakh, all at Doora village.

This apart, Devegowda performed ground-breaking ceremony for Rs. 50 lakh road development works and a bus shelter at Doddakanya village, construction of a school building at Talur costing Rs. 22 lakh , a bus shelter and road and UGD works at Kellahalli village costing Rs. 1 crore.

He later inaugurated the new Naada Kacheri at Jayapura.

Zilla Panchayat (ZP) Members Roopa Lokesh and Premakumari Mahadevaswamy, APMC Vice-President Doora Nagaraju, Assistant Commissioner Venkataraju, Tahsildar Rakshith, Deputy Tahsildar Kuber, AEE Raju and other officials were present.

Residents protest against unscientific works on Vinoba Road

Mysuru, Nov. 25 (RKB&KS)- Alleging that unscientific works are being undertaken on Vinoba Road, residents and shopkeepers, led by former Corporator Prashanth Gowda, staged a protest near Lakshmi Vilas Bank at Shivarampet here yesterday.

The protesters alleged that the widening and development works of Vinoba Road taken up at a cost of Rs. 50 lakh under SFC (State Finance Commission) Grant was unscientific which was causing a lot of problems to the public as well as to motorists to park their vehicles.

They said that installation of kerb stones and laying of inter-locking tiles were causing problems to park vehicles and also movement of pedestrians and alleged that though a complaint was given to Zone-6 Commissioner about it, no action has been taken.

Pointing out that the works were going on in a snail's pace, the protesters demanded the works be stopped immediately and thus, save taxpayers' money. They urged that the works be taken up in such a way that it would not cause problems to motorists and pedestrians.

Former Mayor Pushpavalli, leaders M.C. Manju, J. Jnanesh, Gururaja Shetty, Hiregowda, R. Raju, Mahadev, Ramprasad, R.K. Ravi, H.J. Manjula, Mangala, Shantha and others took part in the protest.

Ganabharathi resumes regular concerts

Mysuru, Nov. 25- Ganbharathi has resumed its regular concerts at Veene Seshanna Bhavan from Nov. 19 after a gap of eight months due to COVID-19. During the occasion, nearly 40 artistes were honoured.

Vidu. Dr. R.N. Srilatha, Vid. Bellary M. Raghavendra, Vid. N.R. Prashanth, Pt. Dr. Bhaskar performed. Vidwan/ Vidushi Veena Suresh, G.S. Ramanujan, H.L. Shivashankaraswamy, Chandrakumar, M.V. Ajay Kumar, Keshava Mohankumar, Veerabhadraiah Hiremath and Bhima Shankar accompanied them.

Strict COVID guidelines like social distancing and thermal screening are followed at the venue, according to a press release from Ganabharathi Secretary T.S. Venugopal.

Vid. G.K. Manamohan to present Karnatak vocal recital on Nov. 27

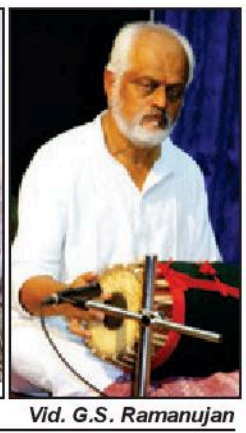
Mysuru, Nov. 25- Ganabharathi has organised a music concert by Vid. G.K. Manamohan at its premises in Kuvempunagar on Nov. 27 at 6 pm.

He will be accompanied by Vid. C.N. Tyagaraju on violin and Vid. G.S. Ramanujan on mridanga.

This will also be streamed both in YouTube and Facebook and it is available in pages of Ganabharathi.

Vid. G.K. Manamohan

Vid. C.N. Tyagaraju



Vid. G.S. Ramanujan

PROFILE: G.K. Manamohan started learning Karnatak vocal under Vidu. H.N. Rajalakshmi and pursued further under late Vidu. Vasanta Sundararajan and Vidu. Pushpa Srinivasan in Mysuru.

He was featured in the music programmes of AIR Mysuru on numerous occasions since the age of seven. He won the first prize at National-level AIR Competition in Devotional Category in 2002. He received CCRT National and Karnataka State Sangeeta Nritya Academy Scholarship for Karnatak vocal.

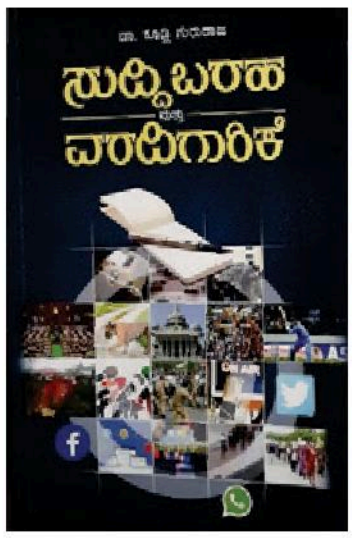
He has performed concerts in many prestigious organisations and Sabhas in Karnataka and in the US and has received accolades from music connoisseurs and rasikas.

After serving at University of California, Los Angeles (UCLA) as Environment Health & Safety Specialist for thirteen years, he has taken voluntary retirement and is now pursuing music full time, according to a press release from Ganabharathi Secretary T.S. Venugopal [Mob: 99000-82773]

Book release tomorrow

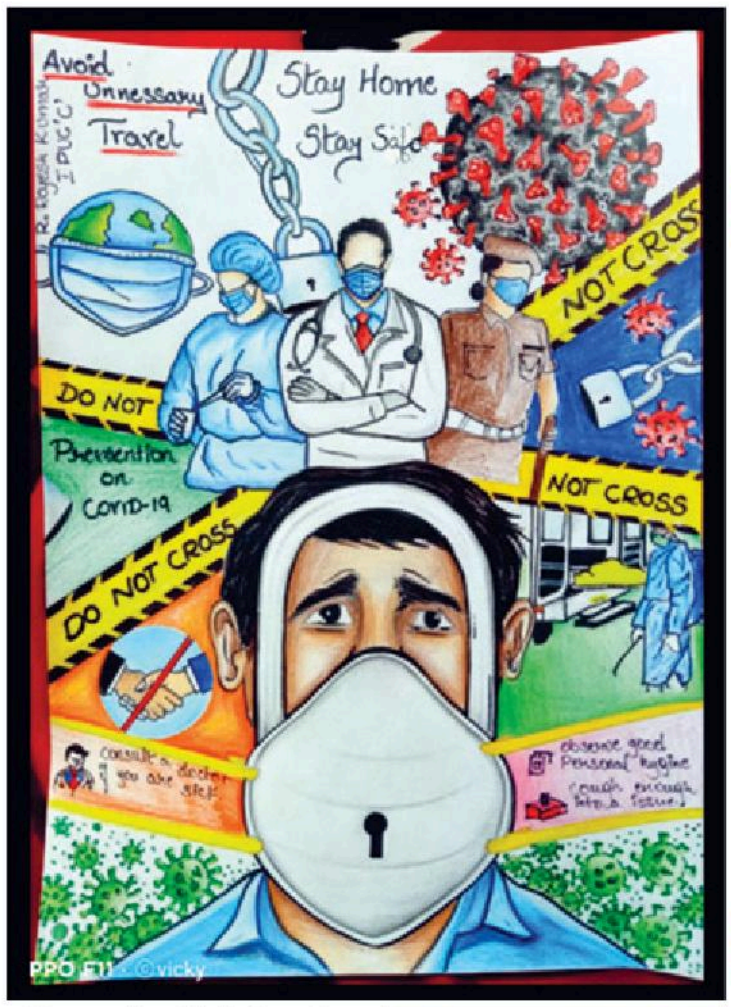
Mysuru, Nov. 25- The book 'Suddi Baraha mattu Varadigarike,' authored by senior journalist **Dr. Kudli Gururaj,** will be released at a programme organised at Pathrakartara Bhavan on Tyagaraja Road in city tomorrow (Nov. 26) at 9.30 am, under the joint aegis of Mysuru District Journalists Association (MDJA) and Ananya Pustakagalu Prakashana Samsthe.

Chamundeshwari MLA G.T. Devegowda will release the book. Mass Communication and Journalism Department (Manasagangothri) Professor Dr. Niranjana Vanalli will speak about the book. MDJA President S.T. Ravikumar will preside.



Author Dr. Kudli Gururaj and book publisher D.N. Lokappa will be present on the occasion.

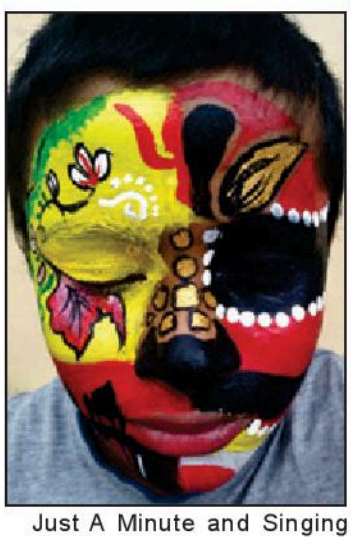
Online 'Kalarava' held



Mysuru, Nov. 25- To keep the students engaged in productive activities while exploring and retaining their creative aspects during their stay at home and also to break the monotony of attending online classes, Seshadripuram Independent Pre-University College had organised the '7th Virtual Kalarava 2020-21 - Talent Hunt' for the students from Nov. 9 to 12 between 1.30 pm and 2.30 pm without depriving them from attending their online classes.

Various online literary competitions like Singing, Just a Minute, Drawing and Face Painting were conducted for the students to showcase their skills, talents and promote leadership qualities and co-ordination among students.

Around 100 students from I PU and II PU took part in the competitions through Google Meet platform and won various prizes.

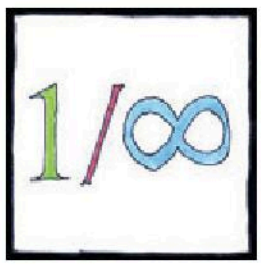


Just A Minute and Singing events were live-streamed on YouTube for all the students to attend from the comforts of their home. Distinguished personalities from various institutions were invited as judges for all the events.

All the events were witnessed by College Principal N. Archana Swamy and teaching fraternity.

WORD OF THE DAY

Infinitesimal



Pronunciation: in-fin-ih-TESS-uh-mul.
Meaning: Taking on values arbitrarily close to but greater than zero; immeasurably or incalculably small.
Origin: Infinite, as you probably know, means "endless" or "extending indefinitely." It is ultimately from Latin infīnītus, the opposite of finītus, meaning "finite." The notion of smallness in infinitesimal derives from the mathematical concept that a quantity can be divided endlessly; no matter how small, it can be subdivided into yet smaller fractions, or infinitesimals. The concept was still in its infancy in the early 1700s when Irish philosopher George Berkeley observed that some people "assert there are infinitesimals of infinitesimals of infinitesimals, etc., without ever coming to an end." He used the word in a mathematical sense, too, referring to "infinitesimal parts of finite lines." Later, the adjectival form acquired a general sense applicable to anything too small to be measured.
Example: Stella includes a lottery ticket in every birthday card she sends despite the infinitesimal chances that it will be a winning one.

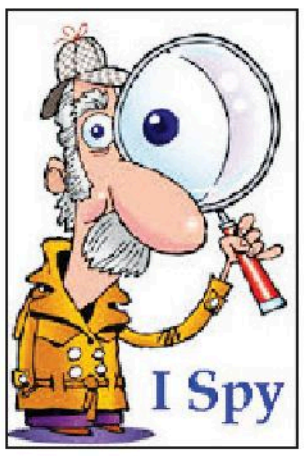
THE ODD WORD

Ibidem

In the same place.

PHRASE OF THE DAY

I spy with my little eye



Meaning: This phrase is used in a children's guessing game called "I Spy."
Origin: When you were a kid, you've probably played children's games such as "hide and go seek" and "tag." You also might have played the game "I Spy," which is where this phrase originates from. If you don't know what "I Spy" is or how it is played, then don't worry, it is simple:
The game "I Spy" is played with two or more players. One player is the "spy" and their job is to choose an object from the surrounding environment; let's say he chooses a brown rug. Now the second player has to guess what object was chosen. To help them, the spy gives a clue about the object's color or the letter it starts with. For example, since he chose a brown rug, he might say: "I spy with my little eye something starting with the letter R." The second player then examines the environment for relevant objects. They keep guessing until they get it right or give up, then it's the other person's turn.

QUOTE BOX

I'm almost incapable of lying. I'd be a terrible spy. — **Gary Oldman**

RIDDLE THIS

Solve the rebus:

LULLCYCLONE

Answer: The lull before the storm.

SUDOKU

	6	7	1	8			4

Mumbai City FC's Jahouh cautioned

by AIFF Disciplinary Committee

Match referee gives a red card to Ahmed Jahouh of Mumbai FC.

Bambolim, Nov. 25- Mumbai City FC's Ahmed Jahouh has received an automatic one-game suspension after he was sent off in the 43rd minute of Indian Super League (ISL) 2020-21 opener against NorthEast United FC.

He was shown a direct red card for a reckless tackle on Khassa Camara and Mumbai City FC was left with just 10 men on the pitch. All India Football Federation (AIFF) Disciplinary Committee reviewed the direct red card incident that happened on Nov. 21 in Bambolim and cautioned Jahouh. He was warned that in event of any repetition of such act, exemplary sanctions might be imposed in accordance with regulatory provisions of the AIFF Disciplinary Code.

"The AIFF body deemed Jahouh's first-half reckless tackle on NorthEast United FC player Khassa Camara, a serious foul play offence, endangering the safety of the opponent on field, after the video footage of the incident was sent for review," AIFF said in a statement.

With the suspension, Jahouh will not be available for Mumbai City FC's next game against FC Goa, which will be played today (Nov. 25) at Fatorda Stadium.

EVENTS TOMORROW (NOV. 26)

Hero Indian Super League 2020-21

Goals from Thapa, Esmael help Chennaiyin beat Jamshedpur

Jamshedpur FC defends a corner against Chennaiyin FC at Tilak Maidan Stadium in Vasco yesterday.

Vasco, Nov. 25- Chennaiyin FC made a winning start to their 2020-21 ISL campaign after beating Jamshedpur FC 2-1 at Tilak Maidan Stadium here yesterday.

First half goals from Anirudh Thapa and Esmael Goncalves set the Marina Machans up nicely, while former Chennaiyin frontman Nerijus Valskis scored Jamshedpur's goal eight minutes before the break. It took Chennaiyin just one minute to get on the scoresheet. Rafael Crivellaro won the ball in midfield and passed it to the right for Goncalves, whose cross was buried into the bottom corner by Thapa following a perfectly timed run into the box by the India international.

Jamshedpur came close to levelling the score in the 7th minute when Peter Harley put his header from a set piece inches wide of the target. Esmael then found himself through on goal three minutes later but couldn't double Chennaiyin's lead and ended up dragging his effort wide instead.

Chennaiyin had another chance to extend their advantage in the 20th minute when Crivellaro found Lallianzuala Chhangte with a smart pass. Chhangte's effort, though, was pushed behind for a corner by Jamshedpur's goalkeeper TP Rehenesh, who was quick off his line to narrow the angle for the shot.

However, Rehenesh could do nothing about Chennaiyin going 2-0 up six minutes later when Isaac Vanmalsawma gave away a penalty while trying to defend a cross. Esmael took the responsibility of taking the penalty and calmly slotted the ball into the bottom right corner.

Esmael was through on goal again soon after courtesy a smart one-two near the edge of the box but Rehenesh got down in time to make the save at his near post on this occasion.

Jamshedpur did pull one back before the break to make for an intriguing second half. Jackichand Singh turned provider for Owen Coyle's men when an inch-perfect cross with his weaker left foot was headed in with aplomb by Valskis to reduce Chennaiyin's lead to 2-1 going into the break.

The first big chance of the second half went to Chennaiyin in the 55th minute when Jakub Sylvestr failed to direct a Chhangte cross from the left goalwards. Jamshedpur then had a chance to score an equaliser four minutes after the hour mark, but Stephen Eze couldn't keep his header from Aitor Monroy's freekick on target.

They had another opportunity to level the score in the 68th minute after Chennaiyin goalkeeper Vishal Kaith mishandled the ball, which fell kindly for Jackichand on the edge of the box. Jackichand got his shot away quickly, however, luckily for Kaith and the Marina Machans, Enes Sipovic had positioned himself well to make the clearance.

Chhangte, who was in the thick of the action all night, found himself with space and time to shoot at goal in the 73rd minute after Rahim Ali had found him with a neat pass. The Indian winger produced a powerful shot and tested Rehenesh, who made the save. Rehenesh saved Jamshedpur's blushes again five minutes later when he kept out an effort by Esmael. The Marina Machans, in fact, had several chances to put the match beyond Jamshedpur without making the most of them. In the end, though, Chennaiyin played out a nervy five minutes of injury time and did enough to keep Jamshedpur at bay and start their season with a win.

AWARDS — Hero of the Match: Anirudh Thapa; **Club Award:** Chennaiyin FC; **DHL Winning Pass of the Match:** Esmael Goncalves (Chennaiyin FC).
